

The Jabra Engage 75 Engineered to be the world's most powerful professional wireless headsets*

The Jabra Engage 75 is an entirely new class of DECT wireless professional headsets engineered to boost customer satisfaction.

Industry-leading professional wireless performance. Better customer connections.

Provides superior wireless connectivity to a range of up to 150m/490ft, enabling 3x more users to operate in the same office space – with no loss in connection quality.¹

Crystal-clear calls. Enhance the customer experience.

Advanced noise-cancelling microphone and enhanced speakers deliver crystal-clear calls even in noisy offices. Meets Skype for Business Open Office requirements.²

More talk time, less interruption. Increase productivity.

Up to 13 hours talk time³ and a busylight that acts as a do-not-disturb sign for colleagues.

Any call, from any device. Increase availability for calls.

Connect to up to five devices simultaneously, increasing your team's availability for customer calls. Can connect to 2 USB devices (softphone and/or desk phone), 2 Bluetooth® devices and 1 analog desk phone.

Choice of wearing styles. Support different workstyles.

With stereo, mono and lightest-in-category convertible models, there's a Jabra Engage for everyone.

*Relates to Jabra Engage 75/65 Stereo and Mono variants.

At a glance:

Jabra Engage 75 wireless headsets

- Up to 150m/490ft range
- 3x wireless density¹
- Advanced noise-cancelling microphone
- Enhanced speakers with intelligent volume control
- Up to 13 hours talk time³
- Integrated busylight
- Connect up to 5 devices

Works with

Getting started

First, connect the desk phone and PC cables to the base. For information on your specific phone, refer to <http://www.jabra.com/compatibilityguide>

Connect to power

Then plug the base into a power supply, and then scroll to the Setup Wizard in the menu. The Setup Wizard will help you connect to your computer, smartphone, or desk phone.

How to wear

Convertible

Earhook wearing style

All headset wearing styles can be worn on the left or right ear.
