

The Jabra Engage 65 Engineered to be the world's most powerful professional wireless headsets*

The Jabra Engage 65 is an entirely new class of DECT wireless professional headsets engineered to boost customer satisfaction.

Industry-leading professional wireless performance. Better customer connections.

Provides superior wireless connectivity to a range of up to 150m/490ft. Enables 3x more users to operate in the same office space – with no loss in connection quality.¹

Crystal-clear calls. Enhance the customer experience.

Advanced noise-cancelling microphone and enhanced speakers deliver crystal-clear calls even in noisy offices. Meets Skype for Business Open Office requirements.²

More talk time, less interruption. Increase productivity.

Up to 13 hours talk time³ and a busylight that acts as a do-not-disturb sign for colleagues.

Increase availability for calls.

Connect to up to two devices simultaneously. Can connect to 1 USB device (softphone or desk phone) and 1 analog phone.

Choice of wearing styles. Support different workstyles.

With stereo, mono and lightest-in-category convertible models, there's a Jabra Engage for everyone.

* Relates to Jabra Engage 75/65 Stereo and Mono variants. February 19, 2018. See facts on Jabra.com/commercial-claims
